

WINTERBOURNE TENNIS CLUB

Minutes From Meeting

Tuesday 18 November 2008

Attended

S. Morton, S. Broomsgrove, S. Coleman, A. Giles, R. Davis , J. Broomsgrove, B. Lewis, E. Purnell, E. Williams.

Apologies

S, Jago, L. Button, M. Gillespie, L. Gillespie, J. Williams

Minutes of AGM 07 (previously circulated)

Agreed by committee.

Advanced Notice of Meetings

It was felt that agenda should be posted or displayed in club house to give plenty of notice to members/committee.

This will ensure we have sufficient attendees to achieve a chorum

Work Completed this Year

Repairs to the roof (Missing Tiles & Guttering)

New Keys/Locks where required.

Club House has been cleared out in the back room.

Electrics improved (automatic switched etc.)

Proposed work for 2009

Replacement of fencing on courts 1 & 2 (Same fencing type as the Ridings).
50/50 split between WTC and WPC/WSA.

Get overhanging branches removed which is covering mini court and entrance.

Moss treatment (if required)

Trench Requirement (Working Party)

It was agreed that a working party would not be practical as it would take a lot of time to complete work on three courts (even with a mini digger). Colin H is to retrieve a quote for the works and present to committee with the use of bark (not stone) for filling trench.

Membership (Social Side of Tennis)

Advert to be looked at within the evening post.

Club to be displayed in the winterbourne handbook (SM).

Accounts

See attached.

Keys and Deposits

To be kept as last year.

Election of Committee

To be kept as last year except for the addition of Colin Holcombe.

WSA and Grant Application

Alan Giles still heavily involved with Council since new chairman has taken over. Cheque has been received for works completed this year.

Possibility of purchase of wind break for the court but it was felt this could be vandalised/set fire to.

Juniors

See attached.

Many thanks to JW and EW for another successful year of junior coaching/development.

Any Other Business

Mike Gillespie to purchase new balls any distribute to Russell Davies and Esme Purnell etc.

WTC Mini/Junior/Intermediate Section Report to 2008 AGM

2007 / 2008 has once again been a successful year in terms of its juniors and intermediates.

Saturday Coaching

Saturday Coaching has seen a steady growth in the numbers, particularly teenage girls joining.

Special thanks to Sadie Rawlinson and Erin Davis for encouraging their friends to participate.

In total we have 66 juniors taking part, of which 30 are girls. This equated to around 30%. In addition we have 9 minis.

Finals Day Competition

Some of these juniors took part in the finals day Prince Play test, tournament and BBQ.

In addition, we will be running a round robin tournament for the juniors next week.

Coaches

I would like to take the opportunity to thank Roz Jones, James Micklewright and Martin Davis for the effort and commitment they give to the club. Martin has however joined the escape committee and has commenced University life. I would also like to thank Erin and Sadie and Anthony Davis for stepping into the breach on the occasions when my coaches are away. One final thank you goes to my father who continues to support the club juniors on a Saturday.

We are currently supporting Ben Balding in taking his first level coaching exams. We will shortly see the benefit of Ben's enthusiasm, where he will be undertaking the local schools programme.

Schools Programme

Over the past year, we have coaches in three local schools. These are:

- Highcroft
- St Michaels C of E
- Frampton Cotterall C of E.

I would like to take this opportunity to thank the teaching staff of these schools for their encouragement and support.

Future competition

I have recently been asked about competitive opportunities within the club, with other clubs and tournaments. There are several options available to the Juniors. These are:

Ratings tournaments – these take place nation wide, require a player rating and take place throughout the year.

Bristol Box League – this takes place year round and focus's on the clubs in the Bristol area.

South Gloucestershire Box League - Similar to Bristol's Box League.

Junior League Matches – this requires teams of 3.

If you require further details, please do not hesitate to contact me. I must point out that all of these competitive opportunities require strong parental support in terms of transport to away venues and hosting home matches.

John Williams,

Junior Organiser.
